Call for Special Sessions

IEEE World Congress on Computational Intelligence (IEEE WCCI) is the largest technical event in the field of computational intelligence. The IEEE WCCI 2018 will host three conferences: The 2018 International Joint Conference on Neural Networks (IJCNN 2018), the 2018 IEEE International Conference on Fuzzy Systems (FUZZ-IEEE 2018), and the 2018 IEEE Congress on Evolutionary Computation (IEEE CEC 2018) under one roof.

Special session proposals are invited to the 2018 IEEE WCCI. Special session proposals should include the title, aim and scope (including a list of main topics), and the names of the organizers of the special session, together with a short biography of all organizers. A list of potential contributors will be very helpful. All special sessions proposals should be submitted by *December 15th , 2017* to the Special Sessions Chairs, according to the most appropriate topic:

- Cesare Alippi (IJCNN) - cesare.alippi@polimi.it
- Patricia Melin (FUZZ-IEEE) - pmelin@tectijuana.mx
- Chuan-Kang Ting (CEC) - ckting@cs.ccu.edu.tw
- Mengjie Zhang (Cross-Disciplinary and CI Applications) - Mengjie.Zhang@ecs.vuw.ac.nz

For more information and the Guidelines to Special Session Organizers, please visit www.ieee-wcci.org.
